Dear Vijay Fadia:

On behalf of NAADAC and the Approved Education Provider Program, we thank you again for renewing your two years provider status. Your application has been approved. Your provider number has changed to **88262** and your status expires on 9/1/2018.

Renewal of your Approved Education Provider status continues to identify your program as meeting nationally approved standards of education developed for the addiction / substance use disorders counseling profession. Your program participants are assured that the contact hours or CEHs provided will be accepted toward national credentialing by the NAADAC Certification Commission for Addiction Professionals (NCC AP) and by many of the individual state licensing and certification bodies as well.

The NAADAC Approved Education Provider emblem signifies that you have voluntarily opened your educational programs to examination by an outside organization to ensure that your participants are provided a consistent, reliable and quality learning experience.

Please note that you will need to submit additional documentation if you would like to add a training to your portfolio. For each training, you will need to provide:

- A completed Form B (from the application)
- The announcement of the training (if available)
- Resume or biography of the trainer
- Training presentation (Powerpoint or lecture notes)
- Evaluation tool (if different than the evaluation tools already submitted)

You can contact me if you have any additional questions. Thank you again.

Sincerely,

A handwritten signature in black ink, appearing to read "Cynthia Moreno Tuohy". The signature is fluid and cursive.

Cynthia Moreno Tuohy, NCAC II, CDCIII, SAP
