We're looking for qualified instructors to teach our CNA students at our Torrance campus on a part-time basis. Morning, evening, and weekend schedules are available. You can teach theory or clinical, or both. You must hold a current active license as an RN or LVN with a minimum of two years experience in direct patient care in a long-term care facility. These are challenging and rewarding positions that will help you enhance your standing in the nursing field. Call today (310) 791-9975. Teaching positions are also open in our vocational nursing program. Inquire now!
