Call toll -free  
(800) 253-0088

Each course specifies the C.E. unit credit you'll earn. Your cost is only \$16.00 per C.E. unit. If you are not satisfied with the quality of our course materials, you can return the course within 90 days and receive a prompt and full refund (less shipping and handling). When we receive your completed exam, your certificate will be mailed to you within 5 working days. The date of completion is the date we receive your completed exam. You need 70% correct score on the final exam. If you fail, you can retake the exam one more time; after that, you'll have to take another course. All courses must be completed within 12 months from the date of purchase. With most courses you can take the test online, if you wish. Visit our website. It's the licensee's responsibility to make sure that the CDE course is suitable for acceptance by the respective dental examining board. In a hurry?
